THREE PERFECT DAYS • NATURE

Welcome to Estero.

Estero sits between Fort Myers and Naples — minutes from Gulf beaches, mangrove kayak trails, and championship golf, with Sanibel's shelling and Edison's winter estate close behind. Estero Escape is reopening soon; the area, as always, is ready.

Mangrove trails, shelling shores, and Gulf sunsets. On the next three pages is a day-by-day plan built entirely from real, nearby places — with honest distances — the way the family who hosts you actually spends a trip here.

Estero Escape is under renovation and reopening soon. The area guide below is ready whenever you are — join the waitlist and we will hold your dates when the home returns.

THE RHYTHM OF EACH DAY

Morning	An early, unhurried start — the best light and the smallest crowds.
Afternoon	The main event, then a cool-down back at the home.
Evening	Slow food, warm water, and the reason nobody wants to leave.
